Selection of Candidates for admission to all the **Degree and Diploma Courses** will be based on the Merit lists prepared by the CENTAC for each group of courses. The average of the aggregated marks of the eligible subjects in the qualifying examination will be calculated and used for arriving at the merit score. Ranking of the candidates will be done based on the merit score (rounded-off to three decimal places) to a base of 100, followed by applying tie break.

5.1 Biology-based Degree Courses

For all Biology-based degree courses, admission is based on the marks secured by the candidates in the prescribed subjects in the qualifying examination (i.e., Biology / Botany & Zoology, Physics and Chemistry, etc.). The average of the eligible subjects will be arrived as merit score. The merit list will be prepared based on merit score and tie break.

$$\text{Merit Score} = \frac{(\text{Subject 1} + \text{Subject 2} + \text{Subject 3})}{3}$$

(rounded-off to three decimal places, to a base of 100) followed by a tie break.

5.2 Biology-based B.Sc. Nursing Course

Selection of candidates for admission to the B.Sc. Nursing Course (after Higher Secondary / 10+2) will be based on the marks scored in the entrance examination conducted by the Board of Examination of Nurses (BOEN), Directorate of Health and Family Welfare Services, Puducherry. Ranking of the candidates will be done based on the merit marks followed by tie break.

$$\text{Merit Score} = \text{Entrance Examination Score}$$

5.3 Biology-based Diploma Courses

Selection of candidates for admission to the Diploma Courses (after Higher Secondary / 10+2) will be based on the percentage of total marks (merit marks) obtained in the respective Qualifying Examinations. Ranking of the candidates will be done based on the merit marks followed by tie break.

$$\text{Merit Score} = \text{Total percentage}$$

(rounded-off to three decimal places, to a base of 100) followed by a tie break.

6. ORDER OF PRIORITY FOR TIE BREAK

When more than one candidate has got the same marks in the common merit list (i.e., the merit list prepared after merging the normalized marks of candidates from various Boards), the inter-se merit among such candidates, for each course will be determined in the order of priority as specified in the table below:
